

IN OUR GALLERY

Our upcoming exhibition entitled, *Big Softies*, will be on view in our gallery from **March 24 to May 12**. The exhibition is aimed at highlighting fiber and its many applications in contemporary art. Work in the exhibition will include locally-crafted fiber art, along with mixed media artwork made by ceramic and metal artists from across North America.

The exhibition reception will be held on **Friday, April 28, from 6-8 PM** in our gallery. All are invited to join us to celebrate the remarkable fiber artworks created by artists in our surrounding community, and enjoy viewing innovative artwork that explores the many applications of fiber. This event is free and open to the public. Light refreshments will be provided.
